

Some Websites for Supporting Children in Mathematics

I discussed the following websites during the Saturday, Oct. 19 presentation:

From Ontario:

<http://www.edu.gov.on.ca/eng/literacynumeracy/parentGuideNumEn.pdf>

<https://mathies.ca/learningTools.php>

<https://mathies.ca/games.php>

<https://mathies.ca/homeSupports.html>

<https://mathbeforebed.com/>

<http://www.parentengagementmatters.ca/parent-engagement-math>

From a broader context:

<https://www.youcubed.org/resource/parent-resources/>

<http://www.wouldyourathermath.com/>
