

Financial Literacy

How To Teach Your Kids About Money

—VIRTUAL EVENT

November 18, 2020 7-8:30 pm

Presented by: Christine MacDonald, CPA, CA

In recognition of financial literacy month LDAWC is pleased to present this session.

Learn about age appropriate “teachable moments” for kids of all ages – from as young as 5 to young adults. Ensure your child’s future financial independence with our tips and best practices.

Topics to be covered include:

- Why teaching kids about money is important
- Goals and challenges of raising money smart kids
- Evolution of financial decisions throughout childhood
- Age appropriate teaching for young children, pre-teens, teenagers and emerging adults
- Tips on allowance, budgeting, credit cards, cell phones, virtual spending
