Reading Rocks

Over 250 students supported in the past 3 years

Over 75% of families reported **improvement**
in their child's reading skills and
confidence.

Over 85% were **satisfied with the program,**
appreciated its personalization, and said
their child was engaged and motivated
during sessions!

Program Impact

Volunteers have said:

"It has been rewarding to see the growth of my student over the past few months, and being able to be creative with how I teach."

Parents & Caregivers have said:

"Honestly grateful for programs like these that offer parents and their children extra opportunities to work on reading, when parents can struggle with where to even start or gathering tools and resources to assist us."

"My child is excited to come to reading rocks and often asks when we are going next."
